Searching for well planned, easy and supported outings or short breaks for your NDIS participants?

Holiday Explorers takes NDIS participants on safe, engaging small group (up to five participants) outings as well as two to three day breaks. Our services have been tried and tested by participants and their carers for FUN. All outings are fully managed by us with trained support workers. We get discounts to most venues and do all the heavy lifting from checking true accessibility to providing appropriate transport from our Norwood office.

Fun at Monarto Zoo

*"Holiday Explorers is great. They have taken Stuart on outings which he loves and I trust them completely."
~ Ann, family member.*
